## From the Director

Welcome to our new and returning students! We hope everyone had a great summer and is ready for an exciting year of learning and fun! The official start of the preschool year was August 12. Continuing this month are curriculum topics to help us learn more about your child and your family as well as introducing letters, numbers and more!

## St. Patrick's Programs

In addition to our regular curriculum, St. Patrick's provides several enrichment experiences. We have **Chapel with Fr. Ashley** every Wednesday during which our children (and teachers) participate in Bible stories, lessons, and songs (Don't forget to send your non-perishables for the Zachary Food Pantry on Chapel Wednesdays to be blessed.). **Music with Ms. Jennifer** follows immediately after chapel on Wednesday with lots of singing and dancing. **P.E. with Mr. Jeremy**. P.E. is held every Tuesday for the 3's & 4's and on Thursday for the 2's. **The East Baton Rouge Library** visits the school on the fourth Monday of the month to read stories to everyone!

## Book Fair

Our Fall Book Fair will be held September 3rd - 8th between 3 and 6 pm. We have a special event planned for our Grandparents for this fair. On Friday, September 6th, all of our grandparents are invited to our Grandparents' Grand Event. Each of our classrooms has a designated time for our grandparents to come, browse our fair, read with their grandbabies, enjoy a light brunch, and purchase any books they wish. Look for more information coming through KidReports and Remind.

## Notes from the Office

\*\* Our curriculum and programs begin promptly at 9 a.m. Please make sure your child is at school by then so he/she doesn't miss anything or disrupt the classroom!

\*\* Please make sure your child finishes breakfast before entering the school.

## Trike a Thon

St. Jude's Trike a Thon is back! We are scheduled for a morning of wheeled fun and fundraising for St. Jude's Friday, September 13th. Class riding times will be available as the date approaches. Remember to please return your child's permission slip by the end of the day on the 12th for your child to participate.

## Tailgate Party

Mark you calendars for St. Patrick's Tailgate Party/Fundraiser on November 17th. Join us for burgers/hotdogs as we cheer on our Saints! We will have activities scheduled for our kiddos, too, so everyone can "pass a good time." Information regarding ways you can help with the fundraising portion of our party will be rolling out soon.
