SHARING CHRIST'S LOVE TO HELP

BLACK HISTORY MONTH

This month is set aside to acknowledge the contributions of African Americans to the United States. As we pay tribute to generations of African Americans and their achievements, I invite you to be intentional this month and engage in the conversations as you see fit.

"Black history isn't a separate history. This is all of our history, this is American history, and we need to understand that."

-Karyn Parsons, author and actress

LEAP YEAR

What's the difference between 366 and 365?! ONE! This year we have one extra calendar day added. February 29th is added to 2024's calendar year to support the sun's orbit around the sun. If the leap year had not been added every four years, 100+ years from now we would be stuck celebrating Christmas in 90 degree weather. Imagine that!!

ELEMENTARY HOLIDAY CARE

If your child needs Holiday Care (ZCSD Holiday) on Wednesday, February 14 for the Mardi Gras holiday break, sign up in the lobby by the kiosk. Please notice that all additions or subtracted should be noted a week in advance as you are subject to billing for each day you've signed up.
